## Thy Will Be Done, O God! - This Month from Pastor Eric

God's Will and God's Promise. God's Will and Our Inadequacy. God's Will and Our Dreams. God's Will and Our Identity. Worldview. God's Will and Our Response. Those are the themes for our Lenten devotionals and mid-week worship.

God's will .... God's will .... God's will .... Like a steady drumbeat pounding out the rhythm of life! Like a deep-flowing current underlying turbulent, surface rapids! It is there with us this Lenten journey of 2018. It is there in our daily devotions, our Wednesday worship times, It is there with us in the journey of faith we live each day. God's will .... God's will .... God's will!

It is there throughout the life and ministry of Jesus, our Lord and Savior. It is there, guiding Jesus, when he is taken into the wilderness by the Spirit, and thwarts the Tempter's efforts to derail his mission before it even gets started (by focusing instead on his own needs or false options that deceptively pose an easy way out—see Matthew 4:1-11). It is there, guiding Jesus, when he tells his closest followers the stunning, incomprehensible truth: that he must go to Jerusalem and undergo great suffering and be rejected and killed—and after three days rise again (Mark 8:31). It is there, guiding Jesus, when he has to rebuke Peter's challenge to his Master's suffering, telling Peter "you are setting your mind not on divine things, but on human things" (Mark 8:33). God's will .... God's will .... God's will!

**Daily Lenten Devotionals**  
+++  
**3 Study Options:**  
**Tuesdays, 10 & 7**  
**Sundays, 9:30 am**  
+++  
**Cross-Oak Prayer Pieces**  
**5:17 Lenten Prayer Alerts**  
**Lenten Prayer Buddies**

It is there every time Jesus goes off by himself to pray and be renewed in God's strength for his mission (see, for example, Luke 6:12). It is there every time Jesus responds with grace and compassion to those who are hurting, suffering, outcaste, alone, forgotten, or downtrodden by the world or the religious system of his day. It is there on Palm Sunday when Jesus chooses to enter Jerusalem riding a donkey, the symbol of a loving servant (Mark 11:1-10). It is there when Jesus upsets the hierarchy by overturning the moneychangers' tables and reminds everyone that God's temple is meant to be a house of prayer for all the nations (Mark 11:15-19). It is there in the upper room when Jesus takes on the form of the lowliest servant and bows to wash his disciples' nasty feet (John 13:3-11). It is there when Jesus prays for his followers in that same Upper Room, that we may be one, just as he and the Father are one (John 17:21). It is there in that Upper Room, when Jesus give us a new commandment, that we love one another as he has loved us (John 13:34). God's will .... God's will .... God's will!

It is there when Jesus teaches us to pray: "thy will be done on earth as it is in heaven" (Matthew 6:9-13). It is there when Jesus himself falls on his knees in the Garden of Gethsemane and prays, "not my will, but thy will be done" (Mark 14:32-42). It is there when Jesus willingly suffers trial and persecution and hangs dying upon a cross, for this entire world which God so loves! (Mark 15:21-38; John 3:16). It is there at the moment of Jesus' death, when a Roman Centurion (of all people), confesses the ultimate truth, "Truly this man was God's Son!" (Mark 15:39). And yes, thanks be to God, it is there early at dawn on a Sunday morning, when the tomb is discovered empty and a young man dressed in white tells the women the Easter Good News, "Do not be alarmed; you are looking for Jesus of Nazareth, who was crucified. He has been raised; he is not here!" (Mark 16:1-6).

God's will .... God's will .... God's will! These remaining 4 weeks of Lent with times of devotion and prayer; all the worship experiences and remembrances of Holy Week; the joy of Easter morning—it is all there before us as an invitation to more deeply understand and **embrace God's great will of love and grace and power**, not just for Jesus, but for all of us, all of humanity, the entire cosmos! Everything uplifted in this newsletter each month, all the ministry that goes on in this place and in our daily lives — it is all about God's will being done in and through our lives for the sake of others, as we seek to Grow In Faith Together and respond to the Lord's desire for us to "do justice, love kindness, and walk humbly with our God!" (Micah 6:8, Matthew 23:23).

God's will .... God's will .... God's will! This holy month and always, may God's will be the content of our prayer, the content of our hearts and minds, the content of our daily lives, the content of this community of faith—marked forever with the cross of Christ, empowered by the Holy Spirit, and rejoicing in the mighty Resurrection love of God which conquers all! With prayers for God's will in your life, and the life of faith we share together, *Pastor Eric*

## God's Corner

Man, Living Springs has done it again! Every evening with each of you gets better. The food is always delicious, and obviously the finished product of immeasurable "blood, sweat and tears". Oh how much we appreciate your caring, your love and most of all demonstrating Christian love. Thank all of you for your on going caring.

*From a Rice Estate resident for the Rice Estate Dinner*

I want to thank the congregation for the beautiful prayer shawl, card and all the prayers while I have been sick.

*Sincerely, Stephanie Joyner*

Adele Lindberg sent this bear to me and it is such a blessing. He looks as if he is waving to me saying, "Get well." Love it so much.

*Blessing & Peace, Mavis*

## Notes from: *Hope Ministry*

### VETERANS MINISTRY @ DORN VA

This past month at the VA Hospital visit, we unfortunately did not have any of our singing group along to lead the hymns that we sing in between our famous bingo games. It was not pretty and I know George would have been cringing if he heard me trying to lead these hymns, but down one of the hallways, a veteran and his wife were sitting on one of the benches and heard us singing Amazing Grace and the Doxology and we could hear her singing along with us. It made me think less about myself and more about how this wife, dealing with a sick veteran husband, was finding joy and peace for a few moments on this particular evening.

### Living Springs VA Ministry Night Thursday, March 22 @ 6:15 PM

On 4th Thursdays from 6:15 - 7:00 pm, we host a time of fun, singing, support, and care at the Dorn VA's Community Life Center. Everyone is invited to come be part of this special time for disabled or older veterans who are undergoing therapy or now residing at the center. If you would like to make cards or donate thank-you items to be distributed, those are welcome, too! If you would like to carpool or follow in your car, please meet at the church at 5:30. We are collecting quarters for bingo prizes. Look for the helmet the week prior to drop off your quarters.

## From Tammy Mancuso, Director

Hello everyone, so nice to see some sunshine, even if it is just a little tease of spring. Here we are, a few months into 2018 and already God has shown us the wonders of the New Year.

The wonder of a child when she sees CoCo, our guinea pig, each day. The smile, curiosity and joy she shows as she shares this new found interest with her grandfather. The wonder of God's creatures.

The wonder of a child as they sit down to a table to share in a snack together, looking to see how they can help one another as they cut, spread and taste new foods. The wonder of sharing.

The wonder of a parent reading a story with their child outside on our Buddy Bench, sharing together, taking a moment to be present with one another, slowing down from the business of life. The wonder of time.

The wonder of staff as they sit around a table together, sharing a meal, taking the time to listen to one another, sharing stories of childhood and life, being committed to building up our School Family. The wonder of safety among friends.

The wonder of one of our toddlers as they see a friend fall, start to cry, and rush to them to gently rub their back. The wonder of compassion.

Just a few of the wonders we see every day. As we think about the wonders around us, I encourage you to take a look at our "Lenten Message" each day, posted just above the coffee maker. Often during Lent we are led to think of what tangible item or bad habit we can give up, but this season I want to encourage you think of what we can give up that may be robbing us of the wonders around us. Take a moment to soak up the wonders of time, of sharing, of compassion and love.

As we continue to build our School Family, I invite you to please bring in a family photo to add to our School Family Board (in the front entrance) as well as one for our classroom family boards. You will be amazed at how large our family is, with the people that God has put into place to help us Grow In Faith Together.

Wishing you well, Tammy

Here are our preschool teachers taking time to Bless each child at the baptismal font at the end of chapel. They do this every time. (Be still my heart!). They call each child by name and say God blesses you!! They will never forget this. These children are indeed blessed!!

## Nuggets from the Classrooms

**Ocean Room** - Transitions have been very smooth for our new arrivals and the infants moving to the toddler room. We feel God's presence daily as we watch each infant thrive.

**Mother Goose** - This month we will continue to expand our sign language skills and will spend more time outside learning about nature and God's creations. The children have been sharing God's Love with one another through encouragement. It is so sweet to see them give another child a hug or a pat on the back when they need encouragement or reassurance.

**Rainforest** - This month we saw God in many ways especially when we learned about how much God gave up for us and that every day is a new day!

**Farm Friends** - During Black History month, it was so touching when we discussed Martin Luther King and equality. Even though we are all different, God made us special and loves us all the same. We shared stories about why we love each other and it warmed our hearts to see God's Love shining through each one of them.

**Backyard Buddies** - We welcome Ms. Cecilia to the Preschool staff and the younger side of the hallway. We see God each week when Ms. Lexanne talks about Lent and how Easter is coming soon.

**ASC** - Its Dr. Seuss' birthday and yes, we will be making green eggs and ham. Spring break is soon and we are planning fun field trips for that week. We have been learning about the power of prayer and that God will protect us from hurt, harm or danger that comes among us.

# Notes from: *Sr. Youth & Young Adults*

## Senior Youth

February was a busy month for the Senior Youth. With events like Shrove Tuesday and GraceWorks Celebration highlighting it, the Senior Youth were really able to experience God and fellowship in many different ways.

At our GraceWorks Celebration, we were able to partner with youth from all around Columbia and put together baskets that will go to help folks who are moving from Transitions to their own residence. These baskets will help them get a strong start to their new life. We, of course, will continue to pray for them, resting in the knowledge that God blesses us and them through this partnership.

The Senior Youth have been continuing the Rob Bell Nooma series, where we've wrestled with the Luggage that we carry around and with what it means for God to give us a Kickball. Please come join us as we continue this series, where Bell explains things in a very unique and helpful way.

February was also when the Youth were the primary leaders for worship on Youth and Souper Bowl Sunday. Thanks to everyone who helped make that happen and thanks to the youth for their witness of how God has made them a game-changer.

March is another month closer to the National Youth Gathering. Be looking for information soon on how to buy shares for the Youth, investing not only in them but in God's work that they will be doing in Houston.

We will also be having our Ski Trip the second weekend in March; we will be headed to West Virginia. Please let Christopher or Leslie know for sure if you can or can't go, if you haven't already.

## Youth Sunday

## SHROVE TUESDAY PANCAKE

## GRACEWORKS CELEBRATION

## Young Adults

We had our second coffee hour this past month where we talked about what it means to be on a Lenten Journey in an ever-changing world. We discussed what does it mean for us to focus on our prayer life and how does that affect the people and situations around us.

We hope you will join us for **next month's coffee hour, March 25 at Starbucks right** after worship where we will be looking at Holy Week and how that applies to our lives.

## Calling all Kids & Parents!

During our 8:15 and 10:45 worship celebrations on Easter Sunday we would like our kids to share a special song with the congregation called, "My Savior Lives!" We ask that you join us beginning this Sunday, March 4th, after whichever worship service you attend at either 9:30 AM or 12:00 PM in the choir area for about 10-15 minutes so we can begin learning the song! We hope this will be a memorable, fun and meaningful way for our children to help lead us in worship on Easter Sunday! Preschool through Middle School ages are welcome to join us!!

## Outside Greeter & Parking Lot Team

As follow-up to our January usher-greeter training, we are now adding an outside greeter to supplement our inside narthex greeter. For Sundays in Feb. and March, you can sign up to be an outside greeter on-line (or see Karen Kranz). By Palm Sunday, we hope to upgrade this to a new full Parking Lot Ministry, with 2 greeters in the parking lot before and after worship. This is a very important hospitality/safety ministry, which makes a huge impact on folks. If interested in being part of our future Parking Lot Ministry, see Mike Davidson, Bill Franck, or Jim Zieche.

## Easter Flowers - due 3/25

If you would like to donate a flower in honor/memory of a loved one, please fill out the form in the narthex and return it to the office or place in the offering plate. The name of your loved one will be printed in the Easter Sunday bulletin. A Donation of \$12.00 per plant is requested. Money and forms are March 25

## Butterflies for Easter - Return 3/25

Butterflies are a symbol of new life in Christ. Once again we will hang butterflies in the church for Easter. Please pick up a butterfly from the narthex – decorate, cut it out and return. Please do not use any food or sparkles.

## Living Cross for Easter Sunday Bring on 4/1

On Easter we have a living cross in the courtyard. Please bring live flowers on Easter morning to decorate the cross.

### Youth Faith Milestones

*"Come to Jesus Christ. He is the living stone that people have rejected, but which God has chosen and highly honored. <sup>5</sup> And now you are living stones that are being used to build a spiritual house. You are also a group of holy priests, and with the help of Jesus Christ you will offer sacrifices that please God. <sup>6</sup> It is just as God says in the Scriptures, "No one who has faith in that one will be disappointed." 1 Peter 2:4-6*

Our **Passing on Faith Milestones Ministry** team provides instruction and resources to equip families, children, youth, and adults to pass on faith and live well in Jesus Christ. By paying attention to the milestones of our lives, we create rituals and traditions that shape us and nurture us in our faith. **G.I.F.T. ZONE Update ....** We continue to tweak and work to improve our G.I.F.T. Zone Children's Worship Area experiment. Thanks to everyone who has provided suggestions and insight. For those who missed the April newsletter, below is a summary of information shared there. May the Spirit continue to guide us in our efforts to make worship meaningful for our younger families & children!

+ + +

**G.I.F.T. Zone** (*Growing In Faith Together Zone*) is an area in the front, left transept of the Sanctuary, specifically set aside for families of younger children. The Zone consists of child-appropriate, worship-oriented materials, with parent/child-friendly worship furniture laid out in a way to help children participate in worship. It is not a "play area," but a space where children & parents are invited to participate in guided activities that help them focus—and find meaning in the Scripture Readings, Sermon, Prayers, and more! Parents are expected to accompany their children in this area. *G.I.F.T. Zone does NOT replace our 10:45 nursery for infants, nor does it replace our Children's Message. Parents are not "required" to use the G.I.F.T. Zone, but it will be a meaningful option for them.*

***Why is Living Springs offering this G.I.F.T. Zone?***

Nowhere in modern society are young children asked to sit still for a hour. Even in school, children no longer sit at individual desks like we once did, but they are constantly working in centers. In recent years, this has had the effect of worship being more uninviting for children and becoming a negative, anxiety-creating experience for parents. Some other traditions have addressed this challenge by creating a totally separate worship site, where all young children are totally removed from adults and the main worship experience. However, our Lutheran tradition has always emphasized the importance of families worshipping together, of children experiencing & learning the rhythms of our life-giving liturgy, and of the joy we experience in having disciples of all ages worshipping, praying, and communing as one. It is important to have children together with us in worship! As you may have seen in the Lutheran magazine, some churches are creating a more child/parent-friendly space and experience *within* worship. The G.I.F.T. Zone is one model that has been successfully implemented. As Lutherans, one of our greatest gifts of the Reformation was the emphasis on putting worship in the modern "language of the people." If you were a child or young parent in today's world, what would such meaningful "language" or space look like for you and your 21st-century child? Our experiment during Easter Season is to create a space where children can experience worship with their parents, grow in faith together as family, and use all of their senses to learn positively our flow of worship liturgy. One of our most important callings is to reach out to young families to experience the power of Christ in their lives. When children and parents feel welcomed and know that they belong, they will return to experience the Spirit moving in their lives!

***Why does it matter that we pay attention on how we integrate children in worship?***

It matters because of Ephesians 4:4-5 where Paul writes: *There is one body and one Spirit, just as you were called to the one hope of your calling, one Lord, one faith, one baptism.* Kids are part of the body of Christ, and we all have something to offer and gifts to share. Sometimes we just need to go the extra mile and pay attention to the details that matter to the various age groups so that worship is meaningful for all.

***Why is the G.I.F.T. Zone at the side of the sanctuary (rather than the back)?***

Research has shown that children actually learn more when they can see what's going on (and they're too short to see from the back)! We are blessed with a perfect design in our sanctuary, with the left transept available to give a direct sight-line to the altar, pastor, font, etc. Also, this puts the G.I.F.T. Zone off to the side of other worshippers, so that it is not right behind someone's pew or in someone's sight-line. Rather than fidgety children creating distractions in the middle of the pews, children now have something that helps parents keep them engaged with what is happening in worship in a meaningful way. Again, we are blessed with a wonderful sanctuary design, so that no one has to sit immediately next to the G.I.F.T. Zone if they wish to be further away—and can choose their pews accordingly.

### Celebrate Your Baptism

Don't forget to check the bulletin to see if we will be celebrating your Baptismal Anniversary during this month's Sunday worship services. Immediately below the Gathering Music, there are printed the names of those who are celebrating a baptismal anniversary *in that week*. When the gathering music begins, individuals can quietly come forward to meet Pastor Eric at the baptismal fountain. There, he will re-trace the cross with the water on your forehead and offer a special prayer of blessing for you (children may be accompanied by parents). There is nothing to be anxious about - everything is done quietly while the music is being played. For those who know only the month of your Baptism, you can join us on the first Sunday of the month (if you prefer some other Sunday, please let us know). **If you do not know your baptismal information, then please pick a month when you would like to celebrate this gift of God's grace in your life – and notify the office,** so that we can add you to the celebration list (we'll simply mark the choice of your month with an asterisk). Even if you don't know the exact date, it's important to celebrate this special gift of God's grace in your life. Again, we encourage everyone to research your Baptismal date and find out as much information as you can – let us know if we can help!
