# The Light Shines! This Month from Pastor

JAN. BOOK OF MONTH = PROVERBS!

Devotion Stream: Forward in Faith Friday @ 11am

*The light shines in the darkness—and the darkness did not overcome it!* (John 1:5) On the first Sunday of 2021 (2nd Sunday of Christmas season), we read those words from the beginning of John's Gospel. Now, as we flip the page to a new calendar year, I cannot think of any verse from Scripture that would better describe the months of 2020. If you think back to January of 2020, there was no way that any of us could imagine all that would unfold in the upcoming months—and yet through all that "darkness," the light of Jesus, the light of God's love, was never overcome!

December saw a season of Advent and Christmas that was perhaps unlike any other experienced in our lifetimes. And yet, the light of Jesus, the light of God's love, continued to shine! There were so many powerful (albeit different) moments. There was the drive-in movie debut for our recorded Outdoor Nativity—and the many stories from individuals throughout the country who were touched by the sharing of this story of God's love (individuals who could have never been present on our church lawn). There was the Advent wreath & living-light Christmas turn in our front yard. There were stories of people moved by our streamed Christmas Eve worship service. There were people touched with tears during the smaller, quieter versions of Christmas Eve worship here in the sanctuary. There was the sight of warm socks piling up under the hallway Christmas tree; the joy of dozens of Palmetto Place youth receiving Dove Tree gifts and Christmas trees from the youth lot; the wonder of nearly 900 backpack food bags being donated for our weekend children's food ministry; the delight of people sharing Christmas cards made by our youth and donating World Hunger Chicks from our youth challenge. There were Lutheran Men and Boy Scouts showing up to help a recovering member with needed deck work at their house. There were prayer shawls being knitted, Meals-on-Wheels being delivered, poinsettias being shared, care meals being delivered, community gift cards helping those in need. There were our own frontline Child Development Center workers caring for children & sharing God's love amid COVID conditions. There were bells being rung; singers being taped; instruments being recorded; Bible Studies & Sunday School classes & Youth Group gatherings & Preschool Bible/Chapel times sharing God's Word. There were Good News Walkers distributing Christmas messages of hope in local neighborhoods and billboards proclaiming a Christmas message of encouragement for the whole community. There were disciples making powerful statements of faith, by placing Generosity commitments in a manger for 2021 and offering year-end gifts of love for our Lord (including an amazing \$30,000 for a year-end principal drive that will free up thousands of dollars for ministry in the years ahead)! Oh, what light!

Last January, our congregation gathered on a Sunday evening with Asst. to the Bishop Aebischer (now bishop!) to take the initial step to begin the call process for a potential 2nd rostered leader here at LS. Little did we know all the obstacles that would lie ahead. But even through a COVID pandemic, a twice-delayed Synod Assembly, an online bishop's election, and virtual interviews, the Spirit continued to churn through the tireless work & discernment of our faithful Call Committee—and now here in January 2021, we are primed to culminate that process, should the Spirit guide council and congregation to ratify an amazing primary candidate that God has brought to us, through the timing of the Lord!

Each January, we celebrate the season of Epiphany with the truth that in Jesus, God's light of hope & grace has been revealed for all humanity, for all nations, for all creation—and the truth that this amazing light continues to shine in our troubled world, through all things! Just as with 2020, none of us knows what 2021 will bring—but then again, this has been true of every year throughout the history of humanity (and our lives). Regardless, we know with certainty that the Light of Jesus will shine this year and that the Holy Spirit will continue to move God's people *Forward in Faith!* And so, I conclude this article with the very same 2 phrases that I discovered at the end of my January article from last year:

"May we simply be open to God's vision! With anticipation of what God will do...." *Pastor Eric*

## **\*Important Call Process Update: Ongoing Prayer & Possible Events on Jan. 17, 24 \***

We invite the entire congregation to join in prayer for the meeting of our Primary Candidate with Council on Friday, Jan. 8. Should the Spirit lead Council to endorse the candidate for our Associate Pastor, the next step would be a Called Congregation Meeting & Vote (tentatively on hold for Sunday, Jan. 24). Notice would go out to the congregation the week of Jan. 10, with possible opportunity for meeting the candidate on Sunday, Jan. 17 (perhaps at 11am worship and/or online). Please watch your e-mail and e-news for information and specific details, pending the Spirit's direction and action!

## From Tammy Mancuso, Director

Greetings and Happy New Year to all ,

As we look ahead to 2021 we may feel an anxious, even grateful to bid a hasty a-due to 2020. However, I urge us to take a moment to breathe, to reframe our thoughts of gratitude from being grateful that its over, to being grateful for what we have learned. How has our faith moved us forward? How have we been able to continue to grow in spite of the many obstacles that have been put in our paths?

Here at the CDC, we have had the opportunity to see examples of moving forward in faith as new families enroll their children with us. Families that are trusting us to love, nurture and care for their child in the midst of a pandemic, without being able to tour the facility or have lengthy in person meet and greets with teachers.

We have heard stories of how new staff members have moved forward in faith by joining our ministry. Staff members that have a passion to be with children, to watch them grow and to be a part of their faith story. While they too are fed, nurtured and valued.

Another staff member shared that her faith has moved her forward as she faced the challenges of virtual learning with her children, yet now prepares to purchase her own home. As a child, thinking that this would never be more than a dream, but suddenly it is becoming a reality.

Our children at the CDC are constant reminders of how our faith continues to move us forward. Throughout this pandemic our children have been faced with changes and challenges ranging from switching gears from E-learning, to face -to face and back to E-learning. Learning how to communicate and visit with family through online platforms, and even how to navigate online play dates. Throughout this we have heard them say such things as "I know that people are sick, so I am wearing a mask to help them be safe." "I know that Gods taking care of us." "I sometimes talk to Jesus when I am scared." "I like to sing Jesus Loves Me."

My faith helps me to reevaluate and reframe, to see things from a different perspective. Slow down, breathe, and remember that we do not walk this journey alone, we are here to hold each other as we struggle through this thing called life, as others have before us, and as will after us. Let us shine the light on one another's path and help each other in moving forward in our faith

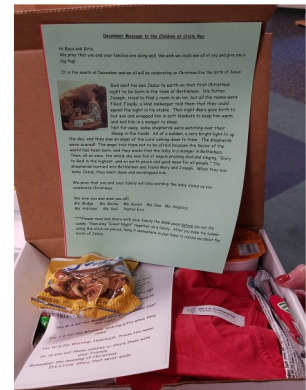

Thank you for all of your continued support, blessings to all,  
Tammy and Staff

### CRISTO REY MISSION CHURCH

We continue to share the message with our children at Cristo Rey with a box filled with the stories about the birth of Jesus. Included with the story was the M&M poem (with a bag of M&M's attached), the words to Silent Night, a banner craft, a Thrivent t-shirt & little notepad, & snacks all wrapped in a pretty bag with a manger scene on it. We hope the children receiving these will feel the love of Living Springs and God's Love that was born in a Bethlehem stable for us.

## Notes from: *Good News Team*

### GOOD NEWS WALKERS

We are God's postal messengers! Despite the 30 degree weather (no snow though), we walked the neighborhoods to deliver the Advent News of God's message for the world – Hope, Love, Joy and Peace. Ironically, that was in the daily Word in Season message – joy and love! There were so many houses decorated that it did bring joy to our walk – a trip back to see the houses all lit up will be on the agenda.

## Notes from: *Hope Ministry*

This ministry certainly made an impact this year of uncertainty, hopelessness, loneliness, depression, etc. – moving *Forward in Faith* was an *Onward Christian Soldier* march to bring hope and happiness to so many people! Just this past month, we witnessed the joy when Meals on Wheels recipients received a poinsettia plant with their meal; Palmetto Place exclaimed "Living Springs won the hearts of our girls" as we unloaded 40+ wish list gifts, Thrivent t-shirts, an ornament making activity and our monthly meal delivered on Dec. 28; three social workers from our backpack schools (Joseph Keels, Rice Creek, & Blythewood Academy) that proclaim "thank you so much" for providing meals for our children in need; and a sock drive that will provide warm, dry toes to homeless people. We are committed to continue "to do unto others" in 2021!

### PALMETTO PLACE

"Living Springs has won the hearts of the girls at Palmetto Place" – said by the director as we dropped off over 40 gifts for the Palmetto Place campuses. I think I is a two way street because these girls have won our hearts also. God put these children who have faced abuse, abandonment, neglect and/or homelessness in our hands to help with their mission to provide a safe and supportive environment. Thank you to all who provided Hope with your Dove Tree gifts.

### Celebrate Your Baptism

Don't forget to check the bulletin to see if we will be celebrating your Baptismal Anniversary during this month's Sunday worship services. Immediately below the Gathering Music, there are printed the names of those who are celebrating a baptismal anniversary *in that week*. When the gathering music begins, individuals can quietly come forward to meet Pastor Eric at the baptismal fountain. There, he will re-trace the cross with the water on your forehead and offer a special prayer of blessing for you (children may be accompanied by parents). There is nothing to be anxious about - everything is done quietly while the music is being played. For those who know only the month of your Baptism, you can join us on the first Sunday of the month (if you prefer some other Sunday, please let us know). **If you do not know your baptismal information, then please pick a month when you would like to celebrate this gift of God's grace in your life – and notify the office**, so that we can add you to the celebration list (we'll simply mark the choice of your month with an asterisk). Even if you don't know the exact date, it's important to celebrate this special gift of God's grace in your life. Again, we encourage everyone to research your Baptismal date and find out as much information as you can – let us know if we can help!
